COMPANY BACKGROUND AND HISTORY

First to Last Aluminium and Glass Solutions, established in 2019 in South Africa, has rapidly grown to be a prominent player in the glass and aluminum manufacturing and installation sector. The company has seen significant evolution in its operational capabilities, catering to a wide range of clients, and expanding its services across national borders.

MISSION, VISION, AND VALUES

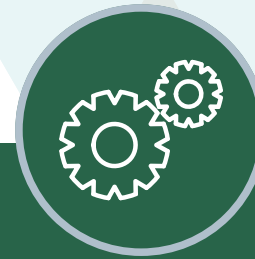

Mission

Focus on delivering high-quality, affordable aluminum and glass solutions. Emphasize the importance of enhancing customer satisfaction through innovative and improved services.

Vision

To be recognized as the leading provider of top-tier aluminum and glass products and services in South Africa and extend their reach to neighboring countries.

Values

Highlight the commitment to teamwork, leadership, honesty, and reliability. Stress on building lasting client relationships and adapting quickly to meet customer needs and market demands.

LEADERSHIP AND MANAGEMENT TEAM

The leadership and management team of "First to Last Aluminium and Glass Solutions" is led by its Founder and CEO, Jackie Peters, who has played a crucial role in the company's establishment and strategic direction. The Operations and Sales Director, Mervin Peters, brings over two decades of industry experience and is instrumental in driving operational excellence and sales growth. Their combined expertise and leadership significantly contribute to the company's success and market position.

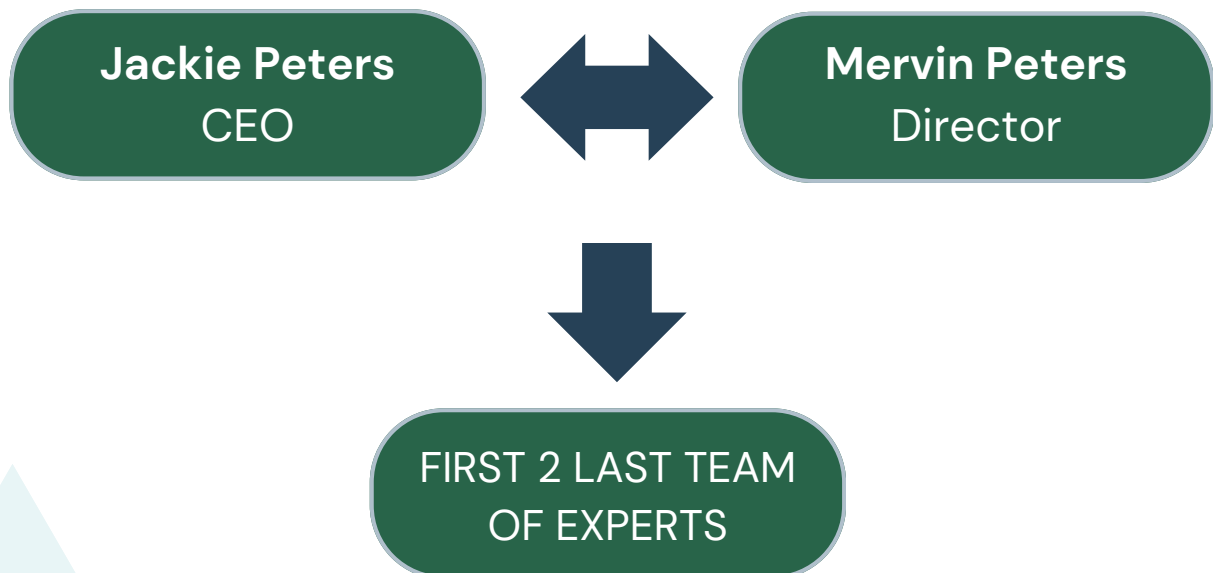

Jackie Peters

Founder and CEO, pivotal in establishing the company and steering its strategic direction.

Mervin Peters

Operations and Sales Director with over 20 years of experience in the glass and aluminum sector, responsible for operational excellence and sales growth.
